

Bring it Home!

We did it!!!!

Girlguiding Cymru has successfully completed its tour around Wales as part of the 'Bring It Home' challenge.

The 'Bring It Home' tour started its journey in Cardiff on 12th September 2015 to travel around Wales, visiting each guiding county where celebration events were held. A Rugby World Cup ball signed by the Welsh Squad was the main focus along with a good luck banner full of messages from Girlguiding Cymru members.

After travelling over a 1,000 miles throughout Wales the 'Bring It Home' tour returned to Cardiff on 19th September 2015. The Rugby World Cup is one of the biggest sporting events in the World and Girlguiding Cymru are so pleased that over 3,000 members participated in the celebrations, promoting girls and young women playing rugby and supporting our national team.

We were delighted Wales beat England to guarantee their place in the quarter finals. We are all behind the boys and hope they continue to excel. Thank you to all our members who supported the challenge, we had a fantastic turnout at every event. If you didn't have chance to see the 'Bring It Home' ball it is currently in Cardiff Museum as part of The Rugby World Cup display and will remain there until November.
