## BROWNIES IN OLD COLWYN HAVE FUN EXPLORING THEIR GUIDING HISTORY

Girlguiding Cymru received over £41,000 from the Heritage Lottery Fund, Young Roots project to help young people explore their heritage. The Young Roots project enabled local young volunteers from across Wales to discover the history behind Girlguiding in their local area.

3<sup>rd</sup> Old Colwyn Brownies were one of the six Girlguiding Cymru Units who were selected to carry out the Young Roots project. The Units carried out interviews with past members as well as key community figures that had some involvement with their Unit. The girls looked at old photographs, badges, uniform and memorabilia to discover and gain a greater understanding of what guiding used to be like years ago.

3<sup>rd</sup> Old Colwyn Brownies focussed their project on researching the history of Brownie badges, playing old traditional games and different activities from the traditional Brownie badges.

As part of the project there was a Young Roots showcase conference held at Girlguiding Cymru's Headquarters, Broneirion on 11 March. The participants each had the opportunity to share their findings with the wider community.

Malbi, 9 said: *"My favourite part of the project was when some grownups came into the Unit with some old badges to show us, it was amazing!"*

Jo, 16, a Young Leader at 3<sup>rd</sup> Old Colwyn Brownies said: *“The Young Roots project allowed me to remember how much fun I used to have in Brownies and how lucky I am to still be a part of it.”*

The project was a great success and provided the girls with the opportunity to learn new skills as well as learning about the history of the organisation.

Girls in guiding can get involved in everything from science experiments and performing arts, to adventure sports and community action projects. For more information about volunteering or how to become a member visit [www.girlguiding.org.uk](http://www.girlguiding.org.uk).
